Orientation for Entrepreneurship

Entrepreneurship Development Cell has organized **“Orientation program for Entrepreneurship” on 12th September 2014 in Collaboration of NEN (National Entrepreneurship Network) in the campus.** On this occasion, Ms. Preeti Singh of NEN has delivered a highly motivating and informative speech regarding the need of entrepreneurship in India and the support available for entrepreneurs. She put emphasize on the power of idea and the attitude of an entrepreneur in converting any venture to a successful one. Prof. (Dr.) Surendra Kumar, Director Riet, put light on changing scenario and importance of entrepreneurship for its’ B. Tech, MBA and MCA students. The “Process of Converting the Ideas into a Commercially Viable Project” was the topic taken by Prof. (Dr.) Asheesh Shah, Principal RIET. Dr. Suhasini Verma, coordinator ED Cell has informed that the program was organised on 12th September 2014. She marked that RIET’s initiative in promoting entrepreneurship in the campus and collaboration with NEN ‘which is an initiative of Wadhvani group, co-founded by IIT Bombay; IIM Ahmedabad, BITS Pilani, SP Jain Institute of Management & Research, Mumbai; etc with a mission to create and support high-growth entrepreneurs, driving job-creation and economic growth in India” shows the commitment of the institute towards its students and the nation
