Expert talk on “how to make best from others”

An Expert talk was held on 3 Sep. 2016 by Mr. Mukesh Vyas, Patron, WAE Academic Excellence. He guided the students how to prepare resume, what contents to be included in the resume and how to make best from others. He also told about group discussion that what are the Do's & Dont's that students have to follow while giving G.D round. He further spoke about that our body language also gives very much influence on one's personality. At the end it was concluded that students got the knowledge about preparation of resume, rules of G.D & about personality development.
