MESSAGE

About RIET-Jaipur

Rajasthan Institute of Engineering & Technology, Jaipur, a premier technical & management institution, was estb in the year 2000. With its dedicated and committed efforts, the institution has earned the reputation of one of the Best Engineering and Management Institution in Rajasthan for boys and girls. RIET campus is located over a sprawling and lush green area at Bhankrota, Ajmer Road, Jaipur. The institute aims at providing broad based knowledge and simultaneously builds a temper for the life long process of learning and exploring. The institute offers undergraduate programs for students having technical bent of mind in Computer Science, Information Technology, Electronics & Communication, Electrical & Electronics Engineering, Electrical Engineering, Mechanical Engineering and Civil Engineering leading to B.Tech. Degree The institution also offers PG Programs in M.Tech, MCA MBA & Ph.D. All the courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. RIET Campus with its own ultra modern and newly constructed buildings with state-of-the-art

Infrastructure consisting of Laboratories, well stocked and Digital library, class rooms equipped with teaching aids & other facilities provides a conducive and congenial environment that helps flourishing the endowed intelligence in students. RIET campus has separate air cool hostels for boys & girls with the capacity of 750 students each. RIET is proud of its faculty. In line with the objectives of the institution, the faculty comprises of a team of carefully selected and highly motivated teachers. RIET encourages its staff to make use of modern educational aids and methodologies to give the best to the students. RIET faculty members meet the highest level of professional excellence in their respective fields of specialization. Guest lectures of distinguished personalities from industries are also planned on a regular basis, so that the students are benefited with their expertise in the field and also become aware of the expectations and requirements of the industry.

Over the years, RIET system has evolved to reach and hold a unique position of pride in the technical education system in Rajasthan. It gives me immense pleasure to welcome all and joining hands with us to achieve our goal towards sustainable development of our nation. RIET Newsletter gives you a Review of all the activities which makes us the best amongst all.

Dr. Saroj Hiranwal, Principal RIET

Workshop-Personality Development (04-04-2017)

She started the workshop with a very creative introductory session, where students had to introduce themselves in a novel way. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names (without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise.

Students were told how important their dreams and desires are for developing the personality. It was stressed that they need to have a passion in life. They were also encouraged to be optimistic and to have a positive approach about everything in life. Most importantly, it was emphasized that they should love themselves and never loses confidence.

The next activity was an interesting game called 'the animal game'. In this, the students were asked to write down the names of their three favourite animals in order of their preference.

They were also supposed to write the reasons why those particular animals were dear to them. After the students had completed the task, they were told that the characteristics of the third animal that they had named describe the reality of what they are! The characteristics of the second animal is what we try to present and the traits of the first animal is what we idolize and pine to become. Most of the students were able to identify themselves with the activity.

In the next activity, the students were divided into 4 groups and each group was allotted a topic for role play. Each group had to conceive an appropriate

skit representing their topic. All the members of the group had to participate in the role play and in the end one member from each group had to speak about the life skills portrayed in the play. It was indeed fun for all the students as they got an opportunity to display their acting prowess!

To sum up, it was a well thought-out workshop of motivating the students to discover themselves.

By Ms. ChaitaliDatta

(Dean Academics) addressed the

Esports 2017-18 07-04-2017 to 09-04-2017

participants and told about the three days meet. The sports in charge Mr. Ghamandi Singh narrated the rules for the meet. In Esports more than 15 colleges and universities took part.

On closing ceremony, The Chief Guests, Mr. Sagar Mal Dayal (Coach of Indian women Boxing Team, rewarded by Dronacharya award), Mr. Surendra Kr. Solanki (3 Star Referee of Indian Boxing Federation) and Mr. Hira Chandra Kataria (Joint Secretary ,All

Rajasthan Institute of Engineering and Technology organized three days National level sports from 07-04-2017 to 09-04-2017. The Chief Guests of the event were Mr. Sudhir Kr. (Civil,MNIT), Prof. Mahendra Choudhary

(Civil,MNIT) who gave their greeting to participants. Sportsmanship oath was taken by all the players before the meet started. Prof. (Dr.) Saroj Hiranwal (Principal,RIET), Mr. KapilDev Sharma

India WUSHU Association) awarded the winners and runner-ups with gold and silver medal. Principal of RIET and Sports in charge praised all the players. The three days National level sports meet filled the environment with enthusiasm and zeal of sportsmanship.

The list of winners and runner-ups of the followings sports are as follows:

Sports name	Boys/Girls	College Name	Position
Kabaddi	Boys	SBN College	winner
Kabaddi	Boys	RIET College	Runner up
Kabaddi	Girls	SBN College	winner
Kabaddi	Girls	Govt.WomenEngg. College,Ajmer	Runner up
Volley Ball	Boys	Poornima Univ.	winner
Volley Ball	Boys	RIET College	Runner up
Basket Ball	Boys	RIET College	Winner
Basket Ball	Boys	SBCET College	Runner up
Foot ball	Boys	Gyanvihar Univ.	winner
Foot ball	Boys	RIET College	Runner up
Boxing	Boys	bharatpur	winner
Boxing	Girls	bharatpur	winner
Boxing	Girls	AKG boxing academy,jaipur	Runner up
Chess	Boys(single)	RIET College	winner
Chess	Boys(single)	RIET College	Runner up
Carrom	Boys(single)	RIET College	winner
Carrom	Boys(single)	IIRM College	Runner up
Table Tennis	Boys(single)	Gyanvihar Univ.	winner
Table Tennis	Boys(single)	SKIT College	Runner up
Badminton	Boys(single)	JECRC Univ.	winner
Badminton	Boys(single)	RIET College	Runner up
Badminton	Girls(single)	RCEW College	winner
Badminton	girls(single)	RIET College	Runner up
Badminton	Boys(Doubles)	JECRC Univ.	winner
Badminton	Boys(Doubles)	RIET College	Runner up
Long jump	Boys	RIET College	winner
Long jump	Boys	ACEIT College	Runner up
Long jump	Girls	SBN College	winner
Long jump	Girls	RIET College	Runner up
High jump	Boys	ACEIT College	winner
High jump	Boys	RIET College	Runner up
Shot put	Boys	Dental College	winner
Shot put	Boys	RIET College	Runner up
Shot put	Girls	SBN College	winner
Shot put	Girls	SBN College	Runner up

from renowned organization Mr. Vikash Gupta, Dy. Director (MSME), Mr. D.D. Maheshwari, Sr. Manager (NSIC) and Mr. Abhishek Singh (Director, Blackout Hotel) among us. All the projects were appreciated by the experts as project showed various innovative ideas in the field of Automobile, Smart City, Clean India, Digital India, medical and various security systems. Invited guests interacted with each and every student and discussed about Technology Incubation and

Project Exhibition "Technodiction"

(13-04-2017)

Rajasthan Institute of Engineering and Technology, Jaipur organized 4 days Project Exhibition named "**Technodiction**" from 11th April to 14th April 2017. Prof. KapilDev Sharma Dean Academics (RIET) was the chief organizer. Students from various engineering and polytechnic colleges invited in exhibition to present their project. This exhibition is aimed at creating a sense of appreciation for talent and technology in a meticulous manner. It was great honor to have industry experts

s of project development. It was interesting and motivated talk by the experts about set- up and strengthen the technology Incubation centers and thus nurture technology entrepreneurship

Seminar on Scientific and Cultural values of Mathematics

(18-04-2017)

products and packages; Bridge the gap between R&D and commercialization. The program was well organized under the guidance of Prof. KapilDev Sharma (Dean Academics and Administration, RIET) and Dr. Saroj Hiranwal (Principal, RIET).

Department of Applied Sciences of Rajasthan Institute of Engineering & Technology organized a seminar on "Scientific and Cultural values of Mathematics" on 17/04/2017. The Chief Guest and speaker for the seminar was Prof. D.S. Hooda Honorary Prof. in mathematics at GJ Univ. of Science & Technology, Hisar & Research Advisor to ABV Hindi University, Bhopal, MP. He enlightened the students with the importance of mathematics. He said that mathematics is a methodical application of matter. It is so said because the subject makes a man methodical or systematic. Mathematics makes our life orderly and prevents chaos. Certain qualities that are nurtured by mathematics are power of reasoning, creativity, abstract or spatial thinking, critical thinking, problem-solving ability and even effective communication skills. He focused that Mathematics is the cradle of all creations, without which the world cannot move an inch. Everyone needs mathematics in their day-to-day life. Various subjects of mathematics like limits, functions, real and complex analysis, numerical analysis etc leads to open-minded attitude among youngsters and help them develop clarity in their thinking. He emphasized on practicing rather than reading. The greatest hurdle in the process of learning

mathematics is lack of practice. Students should daily work out at least 10 problems from different areas in order to master the concept and develop speed and accuracy in solving a problem. After motivational talk, the prizes were distributed among the 1st year students for various events/activities conducted during the session. The awards were categorized as: Project making, Poster making, Essay writing and Attendance & discipline. The vote of thanks was given by Mr. Devendra Singh, HOD, Dept. of Applied Sciences and Memento was presented to Chief Guest Prof. D.S. Hooda by Chairperson of the programme Prof. (Dr.) Saroj Hiranwal, Principal, RIET.

Placement Activities in the month of April 2017 for Batch 2015-2017

Exodus Farewell 2017

(13-05-2017)

Rajasthan Institute of Engineering & Technology organised the farewell party “Exodus” on **May 12th** at the college main stage, where students of B.Tech 3rd year bid farewell to students of B.Tech final year with great enthusiasm. Function began with a floral welcome of our respected Principal ma’am, Dean Sir & all the respected faculties. Principal ma’am wished the final year for their future. The students of 3rd year presented a dance, a solo song and a

flute performance. The students of final year then participated in the ramp walk which was thoroughly enjoyed by the crowd. Different tags were awarded to the students and as a token of love the final year students were presented with their departmental photographs.

A special game was arranged for “**Mr& Miss Farewell**” and the award of Mr. Farewell was presented to **Mr. Pankaj Khatri** and the award for Miss Farewell was presented to **Miss Shubha Paliwal**. The show ends up with a DJ night where students enjoyed the music and dance.

International Yoga Day

(21-06-2017)

International Day of Yoga Antarashtriya Yog Divas or commonly and unofficially referred to as Yoga Day, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the **United Nations General Assembly (UNGA)** on 11 December 2014.

Antarashtriyayog Divas celebrated in the premises Rajasthan Institute of Engineering and Technology, Jaipur in the presence of Dean Academics and Administration Prof. Kapil Dev Sharma. Faculties from different branches participated in this holy event in the Yoga center

of RIET, Jaipur. Faculties learned that how Yoga is useful in physical, mental, and spiritual practice.
