All the students of MBA III SEM & MCA III,V SEM of Rajasthan Institute of Engineering & Technology, Jaipur are hereby informed that their regular classes for MBA III SEM & MCA III,V SEM will start from 14 August, 2019.

It is important to note that for the attendance record of students to be sent to the university, the attendance of students will be counted from the day one. It is, therefore, compulsory for all the students to attend all theory and practical classes regularly.

For us maintenance of university criteria of attendance is very **IMPORTANT**. In this regard, we would like to draw your kind attention to the following **University Rules and Regulations**:

1. Students are required to have at least 75% attendance in the lectures of every subject and 100% performance of all practicals, tutorials, assignments and term work.
2. The students who fail to comply with the requirements mentioned in (1) above will be detained and hence will not be permitted to appear for mid term & university examinations.

It is further informed that if any student remains absent continuously for more than three days; he/she will not be allowed to attend lectures/practicals without permission from the HOD. If any student repeats it second time in a semester, he/she will not be allowed to attend the lectures/practicals without being accompanied by his/her parents/guardians. Such irregular students will be punished heavily.

For us, as an Institution, maintenance of the discipline in class & college is very important. The student's irregularity in classes adversely affects his/her performance in the examinations and damages the reputation of the Institution.
